## TOBACCO MARTS URGE EARLY SALE OF 1943 CROP

Season Sales Reach  
\$821,417.64 For  
Average of \$21.65

Murray Tobacco Loose Leaf  
Flowers this week brought to the  
attention of tobacco growers and  
farmers the need for getting the  
1943 crop on the sales floor so that  
the crop can be sold out of the  
way before the spring rush.  
They insist that all crops be clean-  
ed up while the prices remain  
good.

According to all four floors—  
Doran's, A. G. Outland & Co.,  
Growers, and Farris Farm, farmers  
are urged to plan their 1944 crops  
to be larger than the 1943 produc-  
tion so that the demand for greater  
tobacco output may be met.  
Tobaccoists acknowledge the labor  
shortage, but believe that money  
can be made with the larger  
tobacco crop this year and that  
larger crops will aid in the  
increased production urged by the  
government.

Prices this week remained about  
steady and the total sales for all  
four floors for the season amount  
to 3,794,365 pounds for \$821,417.64,  
at an average of \$21.65.

## Final Rites For Sam Pace Held Thursday

Funeral services for Sam Pace  
who died at his home east of  
Kirksey Monday, January 31, were  
held at the Hickory Grove church  
Thursday and burial was in the  
Spring Creek cemetery. Elder  
Alonso Williams, Paducah, and L.  
H. Pogue conducted the services.

Mr. Pace was well known in the  
county where he had lived for 40  
years. He is survived by his wife  
and several children and grand-  
children.

## Mrs. Haneline Dies At Her Home In Coldwater Sunday

Death came to Mrs. Martha Hane-  
line at her home in Coldwater Sun-  
day after a long illness of complica-  
tions. She had spent much of her  
life in that community and was well  
loved and had a wide circle of  
friends.

She was a member of the Cold-  
water Methodist church where her  
funeral was held Sunday afternoon  
at 2 o'clock. The Rev. H. P. Blank-  
enship conducted the services.

Her husband, John Olliver Hane-  
line, died several years ago. She is  
survived by two daughters, Mrs.  
Neuma Cooper, who lived in the  
home with her mother; and Mrs. Ila  
Stone, Coldwater; and two grand-  
children and two great-grandchil-  
dren.

## HOUSE APPROVES BALLOT FOR SOLDIERS

FRANKFORT, Ky., Feb. 7.—The  
House today passed without a  
dissenting vote a bill to submit to  
the voters an amendment to the  
State Constitution to give the

## CADET PAT M. GINGLES GETS FURTHER TRAINING

Pat M. Gingles, 21, son of Mr.  
and Mrs. Fred M. Gingles of 1606  
Farmer Ave., Murray, was recently  
appointed a Naval Aviation Cadet  
and was transferred to the Naval  
Air Training Center, Pensacola,  
Fla., for intermediate flight train-  
ing.

Prior to entering the Naval ser-  
vice, he received his B.S. degree  
from Murray State College.

Upon completion of the intensive  
course at the "Annapolis of the  
Air," Cadet Gingles will receive his  
Navy "Wings of Gold" with the  
designation of Naval Aviator, and  
will be commissioned an Ensign  
in the Naval Reserve or a Second  
Lieutenant in the Marine Corps  
Reserve.

their deadly charges at 55 to 60  
knots, burn approximately 250 gal-  
lons of oil per hour.

## Fourth War Loan Drives Rises to \$294,000; Remaining \$31,000 by Feb. 15

Calloway County will again go  
over the top with her quota for  
bonds when she meets her \$294,000  
quota February 15, according to T.  
H. Stokes, special chairman of the  
Fourth War Loan Drive. Mr. Stokes  
reported today the sale of \$294,000  
in bonds, leaving a remainder of  
\$31,000 to be sold in the next five  
days. "There is no doubt about the  
quota being met," the chairman  
stated, "for Calloway people are the  
best people on earth."

That is a true statement, according  
to home folks, for Calloways

## Collection of Vitally Needed Waste Paper To Be Made Here Feb. 21-22

The Kentucky General Salvage  
Committee of the War Production  
Board states that waste paper will  
make cartons, containers and other  
paper supplies for the Armed  
Forces, thus saving new wood  
pulp for the use of the newspaper,  
book and bond paper industries.

It is estimated that every home  
of four persons receives on an av-  
erage of 20 pounds of paper per  
month. This does not include the  
paper that goes to the business  
houses. The American people have  
been burning paper for years, but  
the time has come to quit burn-  
ing paper and save it.

One hundred pounds of waste  
paper will make 650 cartons for  
the Army Field Station. One  
hundred pounds will make fifty 75  
mm. shell containers. Each Signal  
Corps radio set requires 7 pounds  
of Kraft paper and 3 pounds of  
book paper. Each 500-lb. bomb re-  
quires 6 pounds of paper. One  
hundred pounds of waste paper  
will make 1,470 boxes for emer-  
gency life boat rafts.

containers, parachutes, bomb rings,

## DAVE HOPKINS' DOT WINS 1ST PLACE IN FIELD TRIALS HERE

Homer Davis Of  
Mayfield Is Judge;  
15 Entries Listed

"Dot", owned and handled by  
Dave Hopkins, was first place win-  
ner of the Calloway County Con-  
servators Club's annual Bird dog  
Field Trials held Sunday on the  
Murray-Benton road.

The event was judged by Homer  
Davis of Mayfield. The entry list  
included 15 dogs, 6 setters and nine  
pointers.

Winner of second place went to  
Brown's Ranty Skipper, owned  
and handled by O. Brown. Third  
place was won by Tuck, owned  
and handled by Marshall Berry.

The first course began at 9:30  
with Maxine, owned and handled  
by Thomas Banks, Prince, owned  
by C. L. Sharborough and handled  
by Dave Hopkins; and Butch, owned  
and handled by Kenneth Clark.

This course was run without find-  
ing any birds. The dogs had plenty  
of speed and ranged well, but were  
unable to locate birds.

The second course began at 10:45  
with Gene, owned and handled by  
J. R. Oury; Tuck, owned and  
handled by Marshall Berry; and  
Lucky, owned and handled by  
George Baker. There was one  
covey found by Tuck on this  
course, which was handled well.

The third course started at 1:30  
with Brown's Speedy Jack, owned

## FORMER MURRAY EDUCATOR DIES IN PENNSYLVANIA

Mrs. Hontas Sturgis  
Was Daughter of  
Capt. T. A. Miller

Word has been received here of  
the death of Mrs. Hontas Miller  
Sturgis at the home of her daugh-  
ter, Mrs. James House, Jr., Spring-  
field, Pa. last week. Mrs. Sturgis  
was born in Murray and before  
her marriage was Miss Hontas  
Miller the daughter of Captain T.  
A. Miller who was state senator  
from this county and captain in  
the Confederate Army.

Mrs. Sturgis graduated at an  
early age from the Murray Male  
and Female Institute and later was  
an instructor in this school. She  
is a descendant of one of the most  
prominent families in this section  
of the state. Her brother, Galen  
Miller, was county clerk a number  
of years ago.

She was supervising principal of  
the Hyattsville Elementary School,  
Hyattsville, Md. for 17 years, from  
1917 to 1934. She succeeded her  
husband, the late Prof. Samuel C.  
Sturgis who died in 1941. In this  
post of educational work after  
she resigned, according to the  
Hyattsville paper, a tribute by  
citizens of the community was  
paid her when she was given a  
reception in the town's armory  
and presented with a silver ser-  
vice. A plaque was bought by the  
Teacher-Mother club and hung in  
the school building in "Sincere ap-  
preciation of outstanding achieve-  
ment." The American Legion of  
Hyattsville had for a number of  
years awarded the Hontas M.  
Sturgis medals to the outstanding  
boy and girl scholar of the school.

She is survived by Mrs. House,  
two sons, Col. Galen M. Sturgis,  
U.S. Marine Corps, in a Pacific  
combat zone, and Hugh Legare  
Sturgis employed by the Govern-  
ment.

## RALPH CHURCHILL VISITS

Ralph Churchill was visiting  
here with his brothers, Ronald and  
Max, before Max went to the  
Navy. Ralph is residing in Ft.  
Worth, Tex. where he is studying  
and working in the Baptist Sem-  
inary there. He is working on his  
masters degree and majoring in  
education. He is also educa-  
tional director of the Diam-  
ond Hill Baptist church and pub-  
licity director for the seminary.  
Mrs. Churchill and baby daughter,  
Esther Carol did not come with  
him to Murray.

## Joe Baker Littleton Lives In Private Home In England

Joe Baker Littleton, son of  
Mr. and Mrs. Earl Littleton, is  
believed to be in England and is  
attached to the Field Hospital divi-  
sion. He writes interesting letters  
about what they are doing there  
and opportunities that are being  
offered.

The younger crowd here would  
like to hear Joe Baker play the  
piano again. He was considered the  
master at Boogie Woogie and all  
popular places.

He states in his letter that he and  
ten of his buddies are living in pri-  
vate homes and are being highly  
entertained. A Mrs. Yates has en-  
tertained them and they are en-  
joying everything. He spoke of the  
camping that had just opened and  
the picture shows he saw at night.  
He thinks of home, too, for he asks  
about his sister, Ann, and wants  
to know if she still is having fun  
running around here.

Joe Baker spent most of his life  
in Hazel but graduated from Mur-  
ray High School, and helped his  
parents in the store after school  
hours.

## Home Of Mr. And Mrs. T. H. Suiter Destroyed By Fire

Mr. and Mrs. T. H. Suiter lost  
their home and the contents by  
fire last week. Mr. Suiter also  
suffered an attack of pneumonia  
during the latter part of the  
week. In spite of these two  
calamities, Mr. and Mrs. Suiter  
wanted to do their part in the  
county's drive for the Purple  
Heart Campaign and made their  
contribution, to that great mem-  
orial that is being subscribed to  
honor our veterans.

The Suiter's lived on the Elvis  
Broach farm west of Murray and  
between the Lynn Grove and  
Coldwater Roads. Neighbors and  
friends came to the aid of these  
well loved residents of that com-  
munity and helped them at ex-  
traordinary times.

Mr. Suiter is on the U. S. Eaton with a  
fleet where he has been since leav-  
ing by way of the Atlantic a year  
ago.

## W. E. 'Buddy' Hoover Succeeds Frank Lancaster As Manager of Varsity

W. E. "Buddy" Hoover is in  
charge of the local theaters here  
and is taking the place vacated by  
Frank Lancaster who leaves for the  
Army this week.

Mr. Hoover was born in Nash-  
ville, Tenn., and is the son of Mr.  
and Mrs. R. V. Hoover, Paducah.  
He has resided in Paducah since he  
was two years old. He graduated  
from Tipton High School and at-  
tended the Paducah Junior College.

For several years he has been  
connected with the theater business  
working after school for the Co-  
lumbia Amusement Co. and for the  
past few months has been work-  
ing full time with the Paducah the-  
aters. He started his picture show  
work when he began school and  
then, being the assistant man-  
agement.

He has worked here in the sum-  
mer when Mr. Lancaster would be  
on vacation. He and Mr. Lancaster  
have been friends for a long time.  
They lived across the street from  
each other and played together as  
boys. He was called for his phys-  
ical examination this year and has  
been placed in the U. S. Army.

## BOARD TO PAY OFF \$52,000 IN BONDS ON CITY PLANT

Council Opposes  
Amendment To  
TVA Enabling Act

The Electric Plant Board of this  
city Monday authorized its super-  
intendent to pay off \$52,000 of the  
\$200,000 bonded indebtedness against  
its municipally owned power plant.  
Murray, the first Kentucky city  
to contract for TVA power, adopted  
a resolution on the same day  
urging the state representative and  
state senator from this district to  
do all in their power to prevent  
the passage of a bill offered in the  
General Assembly to amend the  
1942 TVA enabling Act.

Lt. Commander Robert McElrath  
son of Mr. and Mrs. W. W. McEl-  
rath, N. 8th Street, is safe in the  
South Pacific, according to a letter  
received by his parents last Thurs-  
day and written January 16.

Lt. Comdr. McElrath had not been  
heard from since last September  
and his relatives and friends were  
greatly pleased when this good  
news came through. According to  
this letter, he hasn't been receiving  
his letters and packages from home.  
He stated that he had received a  
birthday present that was mailed  
to him last August, and was now  
receiving his Christmas packages.

Robert, a graduate of Murray  
High School, and well known here  
where he was born and reared,  
has seen a lot of experiences since  
he graduated from Annapolis in  
1938. He was sent to West Coast  
and assigned to a ship where he  
stayed for three years.

His first commission was on the  
battleship Idaho on the West Coast  
where he remained for three  
years. He then went to China and  
was on the Wake for several  
months. He had just left this  
place when the Japs made the at-  
tack on and captured the Wake  
at Shanghai.

He barely escaped from China  
when the bombing was aimed at  
ships in the harbor there and had  
been in Manila two weeks when  
the war broke. When he was at  
home last, he related how he es-  
caped from China to Manila in a  
flat bottom river boat and made the  
3,000 mile trip under seemingly im-  
possible conditions.

He remembers his leaving Manila  
during the hottest attack and he  
wondered what happened to his  
closest friends who were left stand-  
ing on the shore. We would imagine  
they are in Japanese prison camps.

He left there for Java and made  
the trip under a bomb-infested sky  
in an old submarine, in a week's  
time. He stated that the water was  
so hot in crossing the equator they  
turned off the cooling system in  
order to save the food supply.

Only the barest food supply was  
carried in the lockers and quinine  
was given first place. They were  
going to the hills of South Java and  
to live on rice to have quinine.

They could live without food and  
water for several days, but not  
without quinine. Malaria is the one  
disease they have to fight.

The five Kentucky cities which  
acquired their own plants and con-  
tracted for TVA power in 1942  
were Murray, Mayfield, Hopkins-  
ville, Russellville, and Bowling  
Green. They are all operating un-  
der the provisions of the 1942 TVA  
Enabling Act.

Mayor George Hart explained to  
the council in a special meeting  
Monday that in all probability the  
Composed amendment would not  
directly affect Murray or the other

## Families Invited To Send Messages To Marines In South Pacific

Your Marine—son, husband, brother, boy friend or buddy, is just a fraction of a second away down in the South Pacific.

Something important happens in the family? A visit from the stork? Or maybe you'd like to cheer him with just a word of the commonplace at home?

Tell it to The Marines. They will get the message to him out there in the vastness known as "some-where in the South Pacific" and in a double quick time.

"Tell it to The Marines" is the Leathernecks' own individually styled short wave broadcast to its own men in that area. The program is now nearing its 300th time on the airways.

Relatives and friends of Marines in the South Pacific may send personal messages on this short wave broadcast. The greetings are free, but they must not contain more than 100 words.

Messages should be sent to the Public Relations Officer, U.S. Marine Corps, 1 Montgomery Street, San Francisco, California. Full name and address of the sender must be included.

## \$100 Scholarship Offered To Student Of Calloway Schools

J. B. Blalock this week offered to some junior or senior in the public schools of Calloway county a \$100 scholarship to be given at the close of the present school year. "This scholarship is to be awarded the boy or girl who may qualify with the best grade. The terms of the rating and the qualifications for the awarding of this prize will be announced later, according to Prentice Lassiter, county school superintendent.

Mr. Blalock is a representative for the WOV Insurance Company, here, and is a native of this county and received his grade and high school training in this county and in Murray High School. "He offers this prize as an incentive to better scholastic records for this county."

## WFA Announces Dairy Payments Up To February 17

WASHINGTON, Feb. 2.—WFA announced today continuation of dairy payments up to February 17, or date on which the Commodity Credit Corporation is further extended. Basic rates during such period will be the same as those in effect for January.

While dairy farmers have been affected by increased costs since program was first announced, Marvin Jones, the WFA, pointed out that a commitment had been made with Congress not to change substantially the subsidy program now in effect prior to February 17.

Subject to action by Congress continuing the CCC without limitations preventing dairy production payments, it was stated that thereafter rates for the remainder of February, and for March and April would be adjusted to take into account increases in feed and other costs since original rates were established last October.

Jones said he is desirous of recognizing these increased costs in date payments as soon as it is possible to do so, and further expressed hope that in the interim dairy farmers would continue to produce and market the milk that is so essential for the War Effort.

For the Spring and summer months, it was indicated that it would be the administrator's intention to continue the general dairy payments at seasonally lower rates while pastures are more productive. Rates would be seasonally higher next fall and winter. The whole program is contingent, Jones emphasized, upon Congressional action, continuing the CCC without limitations preventing such payments. Subject to such contingency, rates for next Summer will be determined and announced before May 1, and for next winter, before September 1.

## Improved Uniform International SUNDAY SCHOOL LESSON

### JESUS ON THE MOUNTAIN AND IN THE VALLEY

LESSON TEXT—Mark 9:24, 27, 31. GOLDEN TEXT—1 Peter 3:18. Help these nine unbelieved—Mark 9:24.

The vision of the mountain top prepares the believer for service down in the valley. "Where there is no vision the people perish," said the wise man of old (Prov. 29:18). For want of a true vision of God, a knowledge of His truth, and the God-given constraint which makes men give themselves in selfless service, the people will perish in their sins.

But let men come to know the truth as it is in Christ, learn to know Him as the Son of God, glorious and powerful, and then let them translate their knowledge of Christian truth and their personal spiritual experiences into the daily ministry to the needs of their fellow men, and there will be songs of salvation and joy.

I. Knowing (vv. 27, 31). The transfiguration of Christ doubtless meant much to Him in preparation for His coming death and resurrection. It was a fore-glimpse of His kingdom glory.

In this lesson we are concerned with the experience of the disciples rather than the feelings of our Lord. Fundamental in both Christian life and service is a clear understanding of the Son of God. One may come to Christ knowing little more than that He is the divine Saviour, and one may enter into Christian living with a meager knowledge of the doctrines of the Bible. But the Christian who fails to grow in knowledge will not grow in grace as he should.

God sets no premium on ignorance, in fact it is quite evident that the great blight on the Christian church today is the appalling lack of understanding of God's Word.

The disciples came to a fuller conviction that He was the Son of God as they saw Him transfigured and heard the Father say, "This is my beloved Son." They learned more plainly the truth of His coming death for the sins of all mankind. They saw in the indescribable beauty of that moment the foreglimpse of His coming glory. What important truths these are—His deity—His redemption—His coming kingdom. Do we have a clear grasp of these truths? If not, let us search the Scriptures.

II. Growing (v. 31). "Jesus only." He filled their vision and their hearts. They had seen His glory and heard the commanding voice of the Father.

Great experiences of spiritual renewing and power are necessary to effective life and testimony. They may not be in outward manifestation, in fact they are more often in the inner recesses of the soul; but the transformed men and women forth to magnificent living for God. One wonders if much of the dearth of power in the Christian church is not to be attributed directly to the lack of such experiences with God.

The disciples had an unforgettable mountaintop experience. Even so have many others found the secret of power.

Let us remember that such privileges are not reserved for a few, they are the birthright of every Christian. Power without knowledge is a dangerous and destructive thing; but knowledge without power is a dead thing.

Let us study God's Word, but let the truth be baptized in the overflowing spiritual power of a personal experience with God.

In regeneration all that Christ is and has for us is made available. If we have not taken out our inheritance let us do it at once.

III. Serving (vv. 17-27). One of the lessons that seems hard to learn and to keep constantly effective in the life of a Christian is that mountaintop experiences of spiritual uplift are not an end in themselves, but a preparation for service. All too often we come to regard such times of peculiar blessing, whether in the privacy of our own room or in the great conference of Christian workers, as something which should glow warmly in our own hearts, making us glad in the Lord, and not as a preparation for ministry to others.

Jesus and the disciples went up to the place of prayer, into the place of glory, and down to the place of service. How fitting is that sequence.

Much confusion exists in the church because those who have foolishly abandoned God's Word and substituted the energy of the flesh for spiritual power have been most diligent in service to humanity; while those who know and accept the truth about Christ, and who profess to believe in the power of the Spirit-filled life, have failed to serve their needy neighbors.

"But Jesus took him by the hand and lifted him up" (v. 27). Verses 28 and 29 indicate that the disciples might have done the same by believing prayer.

## A GMC "Six by Six" Truck Comes Out Fighting

Most people generally think of a military truck as a transport vehicle, but here's one that's really armed to the teeth and ready for action. One machine gun is mounted above the cab, another is carried in the body and an anti-tank gun is in tow. You

know that this truck saw plenty of action, too, for this photo was taken under fire during the assault on Salerno. This GMC 2½ ton, "six by six" is just one of the thousands used by the victorious Fifth Army and by Allied Forces around the world.

## Col. Robert L. Miller of Murray Attends Meet At Cincinnati

Col. Robert L. Miller, G.S.C., of Murray, now stationed at Headquarters of the Eighth Service Command, Dallas, Tex., was in Cincinnati last week attending an important meeting called by Brig. Gen. E. E. MacMorland, chief of the Maintenance Branch, Field Service Division, Ordnance Department, and also deputy chief

of the Ordnance Field Service for Planning to discuss problems of maintenance, stock control and civilian economy.

The two day session attended by representatives of the Nine Service Commands in the U.S. was held at the office of the Cincinnati Ordnance District.

One topic of the discussion was conservation and reclamation of material used in this country as well as that brought back from the battlefields. By this utilization substantial savings to the tax pay-

ers are effected. Gen. MacMorland brought out the point of replacing worn-out parts and repairing trucks to bring them back in serviceability in order to save considerable quantities of materials thereby assisting civilian economy.

Recently, extensive supplies and tools in warehouses have been brought under a modern merchandising system of stock control, making the supplies readily available where needed and eliminating waste.

## During Peace or War Scouts Serve Well, C. M. Graham Says

Although Boys Scouts are helping to win the war, no part of the normal program of activities has been suspended for the duration, according to C. M. Graham, chairman of Happy Valley District, who has two sons in the U. S. Armed Forces. Gene and Wade Graham were formerly members of Boy Scout Troop 45 of Murray.

"The basic fundamentals of Scouting are health—physical, mental and moral—and good citizenship," Mr. Graham said. "Nothing in the Boy Scout Oath and Law is any less valuable during peace than it is during war. Patriotism, faith in God, clean living, doing a good turn daily—all of these will be needed more than ever when peace comes. 'Hundreds of the soldiers and sailors who have been decorated for heroism in this war were former Scouts. It is estimated that one-third of the officers and enlisted men in Uncle Sam's armed forces were once Scouts or Scoutmasters. Their training helped to fit them for their jobs, by teaching them teamwork and ability to get along under difficult conditions.

"Scouting doesn't have to 'convert' after the war in the usual sense of the word. All it has to do is proceed with normal Boy Scout activities. The result can be predicted from the records. For 'in peacetime as well as during war, Scout training builds leadership and character. The more boys who become Scouts today, the more progress we will make toward world friendship in the post-war period."

## Murray Has Four Students Listed In Who's Who In American Universities and Colleges

Murray has four students in Murray State College who are listed in Who's Who Among American Universities and Colleges. They are: Miss Anna Eva Gibbs, daughter of the late Edd H. Gibbs, who will receive her B.S. degree in Home Economics from Murray State College in June, is among those students who will be listed in the 1943-44 issue of Who's Who Among Students in American Universities and Colleges.

Miss Gibbs is secretary-treasurer of Household Arts Club and World Friendship Chairmen of Wesley Foundation, a member of Y.W.C.A. Association of Childhood Education and Off Campus Girls. She worked with Methodist Youth Caravans in the summer of 1942 and was instructor of chemistry and biology in Alamo High School, Alamo, Tenn., during the school year 1942-43.

Miss Frances Hinton Sledz, daughter of Mr. and Mrs. Harry I. Sledz, 704 Poplar street, who will receive her Bachelor of Music Education degree from Murray State College in June, is among those students who will be listed in the 1943-44 issue of Who's Who Among Students in American Universities and Colleges. The book will be released in April.

This publication is published through the cooperation of over 600 American universities and colleges. It is the only means of national recognition for graduates which is devoid of politics, fees, and dues. Several students from accredited colleges are selected each year by an unprejudiced committee, for their biographies to appear in Who's Who Among Students in American Universities and Colleges. These books are placed in the hands of hundreds of companies and others who annually recruit outstanding students for employment.

The purpose of Who's Who is to serve as an incentive for students to go the most out of their college careers; as a means of compensation to students for what they have already done; as a recommendation to the business world; and as a standard of measurement for students.

Miss Sledz is Secretary of the

## Missionary Institute To Be Held In First M. E. Church, Paris

Rev. Robert A. Clark, district superintendent of the Paris District, announces the program of the annual District Missionary Institute to be held in First Methodist Church, Paris, Tuesday, February 15.

Theme of Meeting: "The Coming Peace and the Prince of Peace." The session will begin at 10 a.m. and close at 3 p.m.

From 11:30 to 12:30, Rev. Joseph Paul Bartak, D.D., superintendent of the Methodist Church in Czechoslovakia will speak. He spent some time in a prison camp in Germany.

All pastors, all Charge Lay Leaders, all Chairmen of Missionary Committees, all workers in the Woman's Society of Christian Service, all Church School Superintendents, and all in any department of the Church interested in Missions, are supposed to be present.

Let us make this the most largely attended meeting we have had in the District for a long time. These are abnormal times through which we are passing and the Church has the greatest opportunity before it in its history. Are we as churchmen equal to the task and responsibility that is ours?

Fraternally,  
Robert A. Clark,  
District Superintendent.

## Farmers Must File Their Federal Tax Returns by March 15

Those Who Must File Returns

1. Every single person whose gross income in 1943 was \$500 or more.
2. Every individual married person whose gross income was more than \$650.
3. Every married couple whose combined gross income was \$1,200 or more.
4. Every person who paid or owed a tax on 1943 income.

Excepted from filing on March 15 are servicemen and others outside the country, and wives of servicemen outside the country if the wife's own income is less than \$1,200.

The Bureau of Internal Revenue advises all persons to file their returns early to determine how they stand. Many people will be about even with the government, a number of people will find they have a sizeable payment to make, and still others will find that the government owes them money.

## "DOG BITE" SUIT SETTLED

A "dog bite" lawsuit, which attracted wide attention on Price Hill, was settled in Judge Hoffman's court on Jan. 13, when a jury awarded the plaintiff, Mrs. Marie Cain, \$200. A motion for an appeal was denied in court last Saturday.

The defendant was H. O. Blacklock, Price Hill photographer, whose dog bit the late William Cain, a special deliveryman for the Post Office, when he was making a delivery on July 18, 1942. The plaintiff sued for \$10,000. John Scanlon of Price Hill represented the plaintiff, and Dave Wood, also of Price Hill, represented the defendant.

After 18 months of litigation, the case reached its climax with a battle of attorneys and the scientific and hypothetical evidence of four doctors. At the time of the accident, the dog was examined and pronounced to be free of rabies. When the jury returned its verdict, there were a few emotional moments. The defendant cried as he thanked the jury and attorneys, and said: "It's great to be an American." Cincinnati Times Star.

Hillard O. Blacklock is a brother of J. B. Blacklock of this city and was reared in this county.

## Willis To Address Graduates June 1

Judge Simon S. Willis, newly elected Republican governor of Kentucky, will deliver the commencement address at Murray State College on Thursday, June 1, at 10 a.m. in the college auditorium, according to an official announcement.

Governor Willis, who was admitted to the Kentucky Bar in 1901, began practice at Ashland. He was a member of the Board of Bar Examiners from 1922 to 1928 and was associate justice of the Court of Appeals of Kentucky from 1927 to 1933. He is a member of the American and Kentucky State Bar Associations.

Miss Sara Ruth Rhodes was hostess Friday afternoon at her home to the Mary Louise Baker circle of the W.S.C.A.

New officers who assumed office at this meeting were Miss Martha Sue Cunningham, president; Miss Naomi Lee Whitel, vice-president; Miss Calyon Vaughn, secretary and treasurer; Miss Jeanette Farmer, reporter. Miss Cunningham conducted the routine business session. Miss Alena Farmer, chairman of the program committee, read the program and hostesses for the year.

Miss Letitia Outland and Carolyn Vaughn were program leaders for the afternoon. A vocal duet was presented by Misses Jeanette Farmer and Hazel Hood. Misses Crystalene Cunningham and Martha Jean Baker gave interesting discussions on "Our Relations With Mexico."

During the social hour the hostess served dainty refreshments to fifteen members and one visitor, Miss Mary Jane Kennedy.

The next meeting will be on March 3.

### Arts and Crafts Club Meets With Mrs. Lassiter

Mrs. Elbert Lassiter was hostess yesterday afternoon at her home to members of the Arts and Crafts Club and several visitors. Following an enjoyable hour spent in needlework and conversation, the hostess served a pretty party plate which emphasized the Valentine motif.

Guests in addition to members, included Mrs. Marvin Whitel, Mrs. Robert Holland, Mrs. Prentice Holland, Mrs. Clyde Down, Miss Lula Holland and Mrs. L. T. Daniel.

### Sue Holton Cooks Society Meets Tuesday

The Sue Holton Cooks Missionary Society met Tuesday afternoon in the recreation room at the First Christian church, with the chairman, Mrs. R. L. Wade, presiding.

Mrs. Rupert Fulk led the devotion, and conducted the World Call quiz which had been prepared by Mrs. W. B. Moser.

A social hour was enjoyed during which delightful refreshments were served by the hostesses, Mrs. H. Coleman, Mrs. Charlie Shroat, Miss Emma Helm, Mrs. Arthur Farmer, Mrs. Chas. Churchill and Mrs. C. H. Redden.

### Davidson-Thurmond

Miss Hilda Davidson, Mayfield, became the bride of Pfc. Ben Thurmond in a quiet and pretty ceremony at the home of the groom's father, Cecil Thurmond, Monday afternoon at three o'clock. Brother Bennie Brown, Paris, Tenn., read the marriage vows in the presence of close friends and relatives.

Mrs. Thurmond has lived in Mayfield most of her life and is a member of the senior high school class there. Pfc. Thurmond is the only son of Mr. Thurmond and finished three years of work in Murray State College. Before his induction he was with the civil service in the veterans division, Washington, D. C. At present he is assigned to the intelligence division and is located at Camp McCain, Miss.

The couple left for a few days visit with his grandparents, Mr. and Mrs. F. M. Holcomb, and uncle, Roy and Ralph Holcomb, Salem, Ill.

## Miss Bettie Skaggs Wins Annual Spelling Contest

Miss Bettie Skaggs, daughter of Mr. and Mrs. Clint Skaggs, Dexter, won first prize and \$10.00 in the annual Courier-Journal spelling contest held in the court house here Saturday afternoon. Mrs. H. I. Sledd pronounced. Thirteen entered the contest that was sponsored in this county by Attendance Officer Leont Grogan.

Miss Jean Darnell, daughter of Mr. and Mrs. Herman Darnell, Coldwater, won the second prize of \$5.00; and Bobbie Wade, son of Mr. and Mrs. R. L. Wade, Training School, won the third place and \$2.50.

The winning word was "pneumonia" missed by Miss Darnell and spelled by Miss Skaggs who then spelled the next word "police" to win the championship.

Others who entered the contest were: Moyna Arnett, Lynn Grove, Bettie June Cunningham, Kirstey, Roxie, Edna Morris, Vancleave, Imogene Farris, Hazel, Mary Alice Nanny, Almo, Patty Ross, Faxon, Hilda Todd, Pottertown, Alice Fielder, New Concord, Ewing Stubblefield, Providence, and Raymond Earl Dick, London.

Why not quit your foolishness and put your money in a place where you know you can find it when you want it—in War Bonds?

## Last Chance at Birthday Party!

This is your last week to buy tickets for the birthday party. This party is being sponsored by the young people of the First Christian Church to raise funds to equip a recreational room and lounge in the church basement.

It will be an evening of fun and entertainment, spotlighting personalities of Murray folks. Dr. Q. I. will review the past—forecast the future and acquaint you with things you never knew about yourself and your friends. You cannot afford to miss this event.

The Birthday Party, or Calendar party as it is sometimes called, will begin at 8 o'clock, February 17, and will be held in the Woman's Club House. Come and view all the tables, vote for the prettiest one and be seated at the table representing your birthday month.

The ticket sale must close Sunday the 13. Tickets may be secured from any of the young people or by telephoning your reservation to the ticket chairman, Robert Hopkins, telephone 107.

## Public Library To Hold Open House Saturday, Feb. 12

Your Public Library will observe a special Open House Saturday, February 12, from 9:00 until 4:30. The Library is located on North Fourth street just below the Ledger & Times.

During the day, the presidents of the Homemakers Clubs and several Murray women will serve as hostesses and preside over the guest book.

The library is open to the entire population of Murray and Calloway county. There are books for everybody on everything—also comfortable chairs and benches for reading and browsing, and it has been open since January 10 when Mrs. Margaret S. Berry as librarian.

It is financed jointly by the City Council and County Court, and is a part of the Murray State College Regional Library.

It is open daily from 12:30-4:30 and on Saturday from 9:00 to 12:30 and 1:30 to 4:30.

## PRENTICE MORRIS HURT

## Murray Chapter of Sigma Sigma Sigma Wins Cup for Highest Scholarship in Nation

Pictured above are members of Alpha Chi chapter of Sigma Sigma Sigma who won the annual scholastic cup awarded to the chapter making the highest scholastic average.

From left to right they are: First row, Margaret Key, Lynn Grove; Jeanne Beth Gasser, treasurer; Owensboro; Billie Jean Weldon, corresponding secretary, Dyersburg, Tenn.; Edna Jean Perdue, secretary, Paducah; Mildred Whitlow, Kevil; Louise Putnam Carter, Murray.

Second row, Jane Gibbs, Union City, Tenn.; Miss Alice Keys, sponsor; Frances Sledd, vice-president; Murray; Betty Phillips, president; Murray; Mrs. Mary Ed Meedy Hall, sponsor; Marion Sharbrough, Murray; Bennie Caudill, Prestonsburg.

Third row, standing, Martha Pentecost, Herndon; Marie Pentecost, Dresden, Tenn.; Martha Chester Lents, Bowers; Barbara Duguid, Murray; Frances Caldwell, Paris; Betty Jo Chambers, Murray; Barbara Nell Harris, Lynn Grove; and Anna Merle Fellers, Paducah.

The Balfour Scholarship Cup, won 1942-43 by the Alpha Chi chapter of Tri Sigma at Murray State, was presented in chapel on January 19 to Betty Phillips, president of Alpha Chi.

The winning of the cup signifies that this chapter had the highest scholastic average of the 48 chapters in the nation. Alpha Chi also had the highest average for the year, 1941-42, but was ineligible because it had not been established for a complete year. Any chapter winning the cup three consecutive years will keep it.

Alpha Theta chapter at State Teachers College, East Radford, Va., has had the highest average for three years, not consecutively. Other chapters whose names are inscribed are Alpha Rho at State Teachers College, Loch Haven, Pa., and Xi chapter at State Teachers College, Alva, Okla.

Scholastic average of the Tri Sigma girls at Murray State was 2.16, the highest which has been made so far. Miss Alice Keys, grade-keeper and sponsor of Alpha Chi, is working now on the averages for 1943-44.

## American Legion Ladies Night Is Enjoyable Occasion

The Murray Post of the American Legion enjoyed a party at the Woman's Club House Thursday night when the ladies were special guests for the games and delicious sandwiches, cakes, salads and coffee.

About 68 guests were there and attended the business meeting. Otto Swann, commander, presided. Adjutant Connie Ford introduced Van Bolin, Paducah, and a visitor, and Mr. Quattlebaum, rural carrier as a new member.

The Legion voted to support the bond drive, the Purple Heart Drive, and pledged to raise money to buy playing cards for the service men. The Post gave \$10.00 to the Boy Scout drive. Bryan Talley, Harry Sledd, Talmage Robinson, and Connie Ford acted as hosts.

## ANOTHER PURPLE HEART IS WON BY A CALLOWAY SOLDIER

Fellow citizens, all who live here and enjoy the privileges of civilian life, we have another opportunity to subscribe to the Purple Heart Club. For another one of our beloved men, wearing the uniform of this country, has been awarded the Purple Heart.

That Purple Heart was bought with the blood of Pvt. Preston Norman, 21 years of age, who fought and bled in the invasion of Italy in December. That precious medal known as the Purple Heart was on display in this office last week-end when his father, W. A. Norman, showed it with pride. It was handled and admired. We could imagine the hardships, the uncertainty, the prayers that must have been lived while Pvt. Norman faced the fire and fell. He lay in the hospital weeks after the injury, and is recovered and again with his company.

Norman, and other before him, have made a sacrifice that puts our dollars to shame as we try in our only way to show our love and honor to these men and all service men and women who go to the front.

Yes, we gave one dollar, but we will continue to give a dollar every time a Calloway man is awarded the Purple Heart. We may have to give several dollars—but that will be nothing in comparison to what every service man gives.

Don't wait for some busy man to solicit your dollar. Give it to Hall Hood or his representative and get credit on the list of active Purple Heart members.

This money must grow into an enormous amount so that when these men come home they will have sufficient funds to build a memorial hall for them to use and enjoy.

As the money is collected it will be placed in War Bonds until the war is over.

The officers of this club are: W. T. Sledd, Jr., president; W. B. Moser, secretary; Directors: Max B. Hurt, M. O. Wrather, A. B. Austin, C. M. Graham, H. T. Waldrop, Dewey Ragsdale, R. H. Hood, Karl Frazee, Otis Swann, Prentice Lassiter, R. H. Hood is bonded treasurer, acting for W. B. Moser.

### Civil Service Exam

A new examination for Substitute Railway Postal Clerks to fill War Service appointments throughout the United States and territories was announced by the United States Civil Service Commission today. The salary is \$1850 a year plus approximately \$615 additional compensation, including overtime under the present 48

hour workweek. No experience is required and there is no maximum age limit. A limited number of women will be appointed for duty in terminal cities only.

There is a written examination which includes a general test and mail test in sorting, routing, and following instructions.

Information and application forms may be secured from the Commission's Local Secretary, C. Wesley Waldrop at Murray, Ky. Applications are also obtainable at most first- and second-class post offices. All applications must be filed with the United States Civil Service Commission, Washington 25, D. C., not later than February 29, 1944.

### In Times of War Prepare for Peace

Feed and Food are in reality war munitions. America is looking forward today to new crops. With favorable crop conditions we will again produce abundantly, meat animals included.

The present heavy run of meat animals to market may develop a critical shortage of all meat animals within six months. Good authorities predict a meat shortage by June.

Food is the most powerful political factor in conquered territories. Consequently, Feed and Food will continue to play a major part in the prosecution of the present war and the Victory to follow. We sincerely believe those feeders who continue a major feeding program will reap a profit equal to 1943.

### Board To Pay

(Continued from Page 1) four cities, but he felt that this municipality should cooperate with the other cities of the state who desired to acquire their plants and who wished to contract for TVA power.

The \$112,000,000 Kentucky Dam, now being constructed on the Tennessee River near here, is scheduled for completion this spring or summer.

The resolution unanimously adopted by the City Council of Murray on February 7 follows:

WHEREAS, Senate Bill 48, recently introduced in the General Assembly of Kentucky by Senator Ray B. Moss, vitally and unreasonably affects and modifies the 1942 TVA Enabling Act; and

WHEREAS, in the opinion of the members of this Board of Council the changes proposed by this Senate Bill 48 would drastically limit, handicap, and impede the progress and development of many cities of our Commonwealth by making it practically impossible for them to acquire their own plants and thereby utilize the facilities of the TVA power program; and

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNCIL OF THE CITY OF MURRAY, KENTUCKY, that the Hon. Roy McDonald, Senator from this district, and the Hon. W. B. Moser, Representative from Calloway, be, and they are hereby, requested to vote against, and actively oppose with all legitimate means in their power, this proposed legislation, and any other legislation having the same end in view.

St. Xavier Downs

Tigers, 41-30, In All State Cage Meet

The Murray Tigers bowed out of the All Kentucky Conference meet last week in Louisville when St. Xavier handed the Hollandmen a 41-30 defeat.

Couch Ty Holland told the Ledger & Times staff member this morning "when you are beaten . . . well, that's all, you are beaten." The Murray senior did say, however, that the boys were off-stride in the first half and were apparently "on edge" to the extent that they could "not relax."

St. X lead 9-4 at the first quarter, 21-11 at half-time, and 31-20 at the close of the third frame. Hood and Shroat were outstanding for the Tigers. Scully and Kemper were tops for St. X.

Miss Myra Bagwell and Mrs. Tom Rowlett accompanied the team to Louisville for the week-end and were the guests of Miss Clara Waldrop of the Louisville Times staff.

Murray High swamped Hazel 40-15 Tuesday night on the Hazel floor. Tonight, Thursday, the Hollandmen will meet Calhoun in the Purchase-Pennville meet. Friday night the Tigers journey to Henderson for a game and will meet Hopkinsville Saturday night on foreign territory.

### Economy Feed Store, Farmer's Imp. Co. in New Home on Main

One of the most modern and best equipped business houses in the state is that of the Economy Feed Store that is located on East Main street. This brick and tile building is just finished and the business moved in last week.

Hall McCuiston and Oliver Cherry own this handsome building and Mr. McCuiston with the aid of Charlie Marr who works in the feed department, is running the business alone. Mr. Cherry was inducted into the Navy and left for his station last week.

One part of the building is spacious, well lighted, and easy to get to. It is located on the lot that formerly was the J. B. Hay place.

It is divided into two parts. The feed store in the west side, and the Farmer's Implement Company is in the East side.

The Economy Feed Store formerly was located on North Third street, and the Farmer's Implement Company was located on the South side of the square.

Tigers Troupe Hazel Lions 40-15

The Murray High Tigers were victorious over the Hazel Lions on the Hazel floor Tuesday night by a score of 40-15. Coach Ty Holland alternated two complete teams in three quarters and only in the third frame did he use his usual first string.

The half ended with the Murraymen out in front 17-12.

## It Pays To Sell Milk!

If you live on a milk route and are selling CREAM, we urge you to start selling milk. There are two good reasons why you should:

1st.—You can make more money.

2nd.—75% of all the milk you sell us, when processed, goes to our Armed Forces here and over seas and to our Allies and is urgently needed.

If you are not on a Milk Route, see us. Maybe we could arrange for a truck to get your milk.

A good many farmers are taking advantage of our Finance Plan to buy more cows. See us for details.

### Housewife Will Need Only One Ration Book When Shopping for Food After February 27

The use of tokens constitutes only one part of the new, simplified program for food rationing which will be put into operation on February 27. The plan involves three important changes. First, the red and blue stamps becoming valid on and after February 27 will have a point-value of ten points each; second, tokens will be used as "change"; and third, the stamps will have a longer validity period; approximately 12 weeks.

An important feature of the program for the housewife is the fact that only one ration book (Book 4) will be needed when marketing for food. Blue stamps in Book 4 will be used in purchasing processed foods; red stamps in this book will be used in purchasing meats and fats; and the properly labeled stamp, also in Book 4, in the purchase of sugar.

The red and blue stamps in Book 4 carry both letters and numbers like the current green and brown stamps, but the numbers will not indicate point value. All red and blue stamps, regardless of the numbers on them, will have a 10-point value. Both letters and numbers will indicate validity period. For example, blue stamps A8, B8, C8, D8, and E8 will all become valid on February 27 and each will be good for ten points.

The amount of food an individual can buy will remain practically unchanged. Red stamps will be validated at the rate of 30 meat-fats points every two weeks, and point values will be adjusted so that this will give about the same buying power as the present 64 points per month. Blue stamps will become valid at the rate of 50 points per month for the purchase of processed foods, and point values of these foods will be adjusted slightly upward, making the 50 points equivalent in purchasing power to the 48 points under the present system.

### TOBACCO BRINGS \$2100 FOR CROP ON COLLEGE FARM

#### Prof. A. Carman Gives Report of 1944 Prospects

Prof. A. Carman, head of the agriculture department, has announced the 1943 tobacco crop has been sold. There were seven acres of tobacco on the farm the past year which was sold for \$200.00 per acre, making a total of \$2100. The tobacco was sold under the following grades and prices: 6,105 pounds of first class leaf at \$27.50 per 100 pounds; 565 pounds of seconds at \$20 per 100 pounds; 1225 pounds of second seconds at \$18 per 100 pounds; 1,000 pounds of lugs that will probably be frozen by the government at \$14.75 per 100 pounds.

Mr. Carman stated that nine acres of tobacco has been planned for next year and that the ground has been broken, and the plant bed burned and seeded. There are 35 producing cows on the farm at this time producing 15,000 pounds of milk to make a monthly income of \$700. There are also 35 heifers on the farm. The two acres of old straw-berries on the college farm are expected to yield approximately a half crop. Last year the two acres brought in \$300.

An increase of one acre of tobacco is planned this year making a total of four acres. Last year the three acres on the farm brought approximately \$900. Mr. Carman stated that in his opinion the fruit crop had not been cut as yet, but that if warm weather continues the situation is dangerous.

There will not be any hump grown on the farm this year as the government has removed its program. The two acres last year brought in a total of \$230. Professor Carman stated that the sheep on the college farm were doing well. The 21 ewes have 21 lambs with six ewes to lamb later. The return from the lambs is \$300 per year.

There will be 2,000 chicks raised on the farm this year and fed for broilers and pullets to replace the laying flock.

Prof. A. Carman stated that the farm brought in \$7,000 above expenses last year and is expected to do as well this year. Plans are made to paint all buildings on the farm this year. No new buildings will be erected because of material shortage. The program for the farm is being shaped around the demands for special crops suggested by the county planning committee.

#### Colts Win 49-30

Murray Training School defeated Calvert City 49-30 on the Calvert floor Friday night, February 4, for the second time this year. Stewart's boys led 14-5, 28-14, and 44-26 at the intermission periods. Calvert City's second team beat the Colts' seconds 15-9 in the preliminary.

### Dr. H. Leo Eddleman To Hold Revival at First Baptist Church

Dr. H. Leo Eddleman

Dr. H. Leo Eddleman, pastor of the Parkland Baptist Church, Louisville, will do the preaching in a revival at the First Baptist Church, Murray, beginning Sunday, February 13.

There will be two services daily at the church; morning service at 7 o'clock and the evening service at 7:30 o'clock. Rev. Ray H. Dean, pastor of the First Baptist Church of Central City, will assist Dr. Eddleman, and direct the music in this meeting.

### Kentucky Quota of Waste Fats Changed To 4,600,000 Pounds

The Kentucky Salvage Committee recently announced that the national quota of waste grease has been raised from 200,000,000 pounds in 1943 to 230,000,000 pounds in 1944. The Kentucky quota has been raised from 2,424,000 to 4,600,000 for the same period.

The fact that two red ration points will be given in exchange for a pound of used fat in addition to the money paid shows the necessity and tremendous importance of collecting and saving kitchen fats. For Kentucky to meet the quota, 383,000 pounds of waste fat must be collected each month. Donald Nelson recently stated:

"Lack of fats was one of the causes of the downfall of Germany in the last war. One of the results of Japan's conquests was to deprive us of the billion pounds of fats and oils we formerly imported each year from the Orient. Fortunately, enough fats can be recovered in our kitchens to make up our deficit. We will have to

### Cage Tournament To Be Staged February 10

Four teams have been selected to play in the annual Purchase-Pennyrile basketball classic which will be held in the Carr Health Building at 7:30, February 10, according to Miss Marion Treon, president of the International Relations Club, which sponsors this event each year.

Brewers has been selected to play Daviess County High for the first game and the last game will be played between Calhoun and Murray High School. Both Calhoun and Brewers remain undefeated in regular season play for the entire year, while Murray High and Daviess County have lost only a very small per cent of their games. Brewers defeated Calhoun last week in a charity game at Mayfield.

These teams have been well matched and should provide some good entertainment for all basketball fans.

The trophies for the games have been selected and have arrived. The officials have not been selected as yet, but will probably be chosen in the next few days.

Boys from the college team will act as hosts to the different teams while they are on the campus. Last year Brewers defeated Olmstead 36-29 and Benton nosed out Crofton 23-21 to give the Purchase a double victory over the Pennyrile.

Harry Mac Wright, Paducah, is business manager of the meet. Miss Virginia Honchell, Barlow, and Miss Mable Bonar, Paris, Tenn., are in charge of publicity. Winners in the previous meets include Nebo, Kirksey, Sharpe, Heath, Kuttawa, Hardin, Sedalia, Murray, Calvert City, Brewers, and Crofton.

The first game of the double-header will start at 7:30 p.m. and the second at 9 p.m. The classic will be staged in the John Wesley Carr Health Building.

at least double the quantity of fats we have been getting from households. If every housewife will save and turn in all possible amounts, the problem can be solved overnight. I am confident American women will not fail us in this important job the Government has entrusted to us."

"Twenty to thirty per cent of the food produced in the United States every year is lost or wasted."

### Alpha Psi Omega To Present Play

Alpha Psi Omega, the international dramatic fraternity, will present "Rebecca" at 8:14, on February 26.

Miss Betty Phillips, a senior at Murray State College, will play the lead in the play. A member of many organizations on the campus, Miss Phillips is a very popular person, which fact has been proved in two consecutive years by her presence among the "Campus Favorites".

The cast of the play is as follows: Maxim de Winter, Bill Wetherington, Metropolis, Ill.; Mrs. de Winter, Betty Phillips, Murray; Beatrice Lacy, Emily Fields Morris, Union City; Giles Lacy, Jean Ryan, Murray; Frith, Eddie Melton, Sturgis; Frank Crawley, Curtis Hughes, Mayfield; Mrs. Danvers, Jessie Lee Watson, Mayfield; Jack Favell, Bill Palham, Dyersburg; Colonel Julian, Kenny Keane, Asbury Park, N. J.; and William Tabb, Ben Clift, Calvert City.

### 300 MILLION MAN-HOURS WITHOUT A FATAL ACCIDENT

Schenectady, Jan. 31—Two of General Electric's big manufacturing plants have each established safety records of more than two hundred million man-hours of work without a fatality, believed to be unequalled in any heavy apparatus manufacturing factory in the country, according to George E. Sanford, in charge of General Electric's safety program.

Since the last fatality in the Schenectady works more than two years ago, the plant has worked 211,124,832 man-hours. Close to this record is the Fort Wayne, Ind. factory with 200,272,098 man-hours since its last fatality.

### TAXES—HAVE YOU PAID?

First time many ever paid taxes to Uncle Sam. The merchant, the farmer, the baker, the shoemaker, and all kinds of laborers meet Federal Tax Collector for the first time, but he will become an old acquaintance. All handle a lot of money. The more you make the more Uncle Sam will get. Stop now and get ready, or you will spend money that is not yours. The warning now is to save for taxes. This is no party with specially invited guests, but all pay the fiddler. Stop trying to find places to beg for donations; they will come fast enough, and some may be donating money that belongs to someone else.

Pay your old debts if you can. If not, try to tell your creditor you have no hope. Next buy Bonds to help finance the debt until taxes can be collected. Uncle Sam is the only fellow that can buy anything he wants for his boys and make you credit him. Alright, but individuals had better take care of their credit as all will need it after the war. I have been crediting people for 50 years for things they needed, and there has been times when they could not get along without credit. Many have not been fair to pay when they could. I could buy many Bonds if I could collect. Bonds are good post war savings. Buy what you can with your own money.

I am receiving some things you need that you could not get lately. Come in every time you are in town and see what we have.

Just received, boys' overalls—not very good but plenty high!

### THIS IS SCOUT WEEK

This is Boy Scout Week, the 34th Anniversary of the Boy Scouts of America. It makes us realize that Scouting too is one of those good things we sometimes take for granted. Yet, through two World Wars and a world-wide depression, this organization has never once relaxed its efforts. It has helped make millions of boys into better, happier Americans. You can't be a boy in an Axis country, or one dominated by the Axis, and have the right to be a Scout, but many former Scouts in United Nations fighting forces are now defending their country on the battlefield.

Every boy in America has the right to be a Scout—but not all of them enjoy the opportunity. There are not enough Troops, and not enough adult leaders, to give all the boys a chance to join. The best way for a community to show its appreciation of Scouting is to see that no boy who wants it has to go without Boy Scout training and adventure. The investment will be handsomely repaid. Every new Scout is an added recruit for local war services and a fine citizen-in-the-making.

### THIS WEEK IN O. P. A.

#### Sugar Stamp 40 Is for Home Canning Only

Reports have come to the district office that a number of housewives are spending their No. 40 sugar stamp now, some seeming to think it is a "bonus" stamp. Stamp No. 40 is definitely not a bonus stamp. It is valid for use in buying sugar for home-canning only. If it is spent and the sugar is used now, the housewife will find her supply "short" when the canning season comes, since the five pounds bought with this stamp will be deducted from the season's canning allotment. The reason this stamp was made valid now is that in the far south some early fruit is ready for canning. Housewives in other sections probably will not need canning-sugar for some time. Stamp No. 40 will remain valid 13 months, through February 28, 1943, so there is no hurry about spending it.

#### Tire Eligibility Changed

Eligibility for new passenger cars is now based on the purpose of driving rather than the distance driven. Only motorists who do highly essential driving will be eligible for new tires.

#### The Gasoline Picture

If the European war continues until next fall, there will be a marked decrease in the quantity of gasoline available for motorists. Paul Drexler, district mileage rationing officer, said today. Armed forces will require 40 per cent of the entire output of the nation this year.

#### Restaurant Prices

The highest prices that may be charged in any eating and drinking establishment in the 64 counties of the Louisville OPA district are the prices that were in effect in that establishment April 4 to 10, 1942. Reduction in quantity or quality of food served must be accompanied by comparable reduction in price.

#### Destroy Unneeded Stamps

The district OPA office is stressing through every available means the importance of destroying unneeded ration stamps. Some farm families, especially since the home-dairymaking season began, have been giving large quantities of brown ration stamps to their relatives and friends. This not only is a violation of rationing regulations, but leads to lowered buying power for all. Removing from supply more meats and fats than the amount allotted for civilian use would eventually result in reduced rations for the nation.

### Elvis E. Swor Writes Interesting Letter From Middle East

The following letter will be of interest to the many friends of Elvis E. Swor, who received his high school and college education in Murray. The son of Mr. and Mrs. Zol Swor of Hazel, Elvis married Miss Annette Wear, daughter of Mrs. Annie Wear and the late Barnett Wear. Mrs. Swor teaches in Cattsburg, Ky. They have one son David.

Dear Mrs. Wear: Having spent 12 months in service in the Middle East, I was finally given the opportunity of a life time as far as vacations go. Leaving Cairo with a Paramount War Correspondent and three other American Red Cross workers, we drove over 600 kilometers to reach the Cradle of Christianity, 2000 years after the birth of Christ. Early in the morning our party met again and we had our first view of the modern city of Jerusalem with its aged streets and street-vendors representing the many countries of the East. Definitely here we were getting our first impression of life in the Land of Jesus. Leaving the beautiful King David Hotel, leading a party of over 200 American soldiers and nurses, we drove through the streets of Jerusalem and on to the outskirts of the city. Constantly climbing we reached the summit of Mt. Scopus, spread out below us were the time-honored streets of Biblical days. Descending from the mountain we drove passed Rachel's tomb and stopped only for a silent moment, then on into the quiet streets of Bethlehem. Only a short time later we saw before us the goal of all Christmas pilgrims—the Church of Nativity. Entering this church, the heart of Christianity, was a small opening of the entrance had been walled up centuries ago to prevent assault in time of war and to prevent horses and camels being brought into the church. This beautiful old basilica is built directly over the caves where Christ was born.

At the small entrance to the Church, we were greeted by Bro. Camillus Laska, from Houston, Texas, a soldier in the field army.

### Scouts Mark 34th Anniversary

More than 1,600,000 Boy Scouts, Cubs and their adult volunteer leaders will observe Boy Scout Week, Feb. 8 to 14, marking the 34th anniversary of the founding of Scouting in the United States. Since 1910, more than 11,600,000 American boys and men have agreed that "It's Great to be a Scout!"

tillery during the last war; he's been seen of the Grotto of the Nativity for many years now and is one of the 11 Franciscan friars serving in the Holy Land. His greeting to us was so kind, we saw at once that we were in personal contact with the Manger. First, Bro. Camillus took us into the Church of the Nativity, where Christmas Eve midnight, mass is celebrated and above that is the tower of the "Bells of St. Mary" now heard around the world by radio. On Xmas night, ushering in the anniversary of Christ's birth, we climbed this tower with Bro. Camillus and stood with reverence while he rang the bells for our personal benefit. From this tower, we looked down below on Shepherd's Field, where the shepherds and their flocks by night the shepherds had their vision from the Angel of the Lord. This valley is now a beautiful grove of orange and olive trees and so truly depicts the story that we have so often read in our Bible.

From the tower we descended below the Church into the cavernous, ancient caves; it only by the light of the supplicants and the dim light of oil lamps that mark the sacred spot. We saw the shrine of Christianity with its three thresholds, silver lamps and ancient tapestries. Here hundreds of thousands of Christians from all parts of the earth have knelt before the manger, where the infant Jesus was placed in a crib of straw. Opposite that is the altar of the Magi, where the three wise men knelt before the Holy Child.

An sending you pictures, that I made on the lower entrance, and with Bro. Camillus and another Brother of Christians from all parts of the world, we were listening to the "Bells of St. Mary's." In the background you will get a view of Shepherd's Field. Doubtless by this time you have seen the Paramount news-clip of this sacred pilgrimage and if so, you saw Bro. Camillus lead a Red Cross girl and myself down to the

part of the 60-foot high wall are several rows of great stones of the Herodian period and in a fine state of preservation. Above these are several courses of larger stones of the Roman period, and yet further up are stones of more recent date. The caper plants growing out on the wall between the stones are sometimes identified as "the hyssop which springeth out of the Wall."

If I tried to tell all the story of this pilgrimage it would take more paper than Air-Mail would permit, so must say that we all returned to Jerusalem for dinner that night, and reviewed the wonderful story that we had lived through this week of Christmas in Jerusalem. Spent several days there and had a wonderful rest. Am now getting ready to move on to my latest assignment. Am most grateful that I had the opportunity of making this trip before I leave the Middle East.

More later.

### Farm Bureau Urges Rural Highway Law To Be Amended

The Kentucky Farm Bureau Federation urges that our Rural Highway Law be amended to change the factor of population to rural population. Since this law pertains strictly to farm-to-market roads and since the annual appropriation is inadequate to get farmers out of the mud, it is obviously fair that the rural highway fund should be allocated fairly to the counties, according to the needs of rural people and it again commends that state highway funds be made legally liable for damage to the person or property of its citizens.

alter where we knelt and prayed, then over to the manger where we again knelt.

From the Church of Nativity, we proceeded to the Mt. of Olives where our entire party walked up to the Mount. From this point we were able to see the entire valley of Jerusalem and Bethlehem of Judea. We again climbed back in the 10 U. S. Army lorries and proceeded to the Old City, one of the most unique places in all the world. Here we were permitted to wander through its stepped-always and vaulted archways, got lost in a labyrinth of suks and bazaars, felt that somehow we had been transplanted back a thousand years or more. The Arab women in their black dresses with bright embroidery, the Beduins in flowing robes and keffiyeh, the water carriers with their goatskins on their backs, the hawkers with large flat trays on their heads, donkeys, camels, etc., all making a kaleidoscope picture in a wonderful setting. The Old City is too vast in biblical history to recite all that we were seeing but one cannot write of this sacred place without mentioning the Church of the Holy Sepulchre. This Church with its conspicuous dome surmounted by a gilded cross, occupies a site held sacred for centuries as Golgotha, the Hill of Calvary. (Am sending you one picture taken in front of this church, showing the Paramount man with his hands up over his eyes.) Neither can one leave out the impression made by the "Wailing Wall" (see picture) to which pious Jews still went their way on Sabbath and festivals. In the lower

### Letter to The Editor

Everett Irvan, formerly of Calloway county and brother of Mrs. Lois Miller, West Main Street, is a guest editorial writer of the Detroit News and has written a short and timely note that is reprinted here.

Mr. Irvan uses "Enos" as his pen name. He is a cousin of Mrs. E. D. Covington and Thomas Hughes, and Pat Irvan and Mrs. Ben Keys and has a wide circle of friends who can appreciate the article.

He resides at Mt. Pleasant, Mich., and is sales representative for the Spang & Co. Steel Plant.

### Stubborn Congress

To the Editor: I notice that the Republicans are predicting that they will control Congress after the election in 1944. I believe the most important thing is to elect enlightened men to Congress, whether they are Democrats or Republicans—fearless men who don't cover over time they see the showdown of some lobbyist. They must be men who are not "Against."

I remember an old story about the deaf-deaf who hadn't heard a word said by his fellow deacons and when they asked him how he would vote, he replied, "I ain't heard a word you brethren have said, but whatever it was, I'm ag'n it, and furthermore, I am going to be mighty bitter about it."

That seems to be our present Congress attitude toward the President. Enos.

"At the end of December 1943 the overall cost of living was at the same level as in April, 1943, which means stabilized prices for a period of eight months."

Sunday School at 9:30 a.m. Mr. Tremont Beale, superintendent.

Training Union at 6:15 p.m. Mr. R. W. Churchill, director.

A six-day revival will begin Sunday morning at the regular worship hour and will continue through the following Friday evening.

Dr. H. Leo Eddleman—Missionary to Palestine for six years prior to war conditions making it impossible for him to continue his work there, and for the past year, Pastor of Parkland Baptist Church, Louisville—will do the preaching.

This church came to know and appreciate Dr. Eddleman in the June-1942 Revival, when he served as "Forerunner" to his father-in-law, Evangelist Fox. Dr. Eddleman is recognized as a truly great Missionary and Pastor-Evangelist, and our people are praying that the days he will be here will be fruitful ones. The Rev. Roy H. Dean, Pastor of the First Baptist Church at Central City, Ky., will lead the singing for the revival.

The hours on Sunday will be the regular worship hours. During the week, the morning service will begin at 7 o'clock and close at 7:45. The evening service will be at 7:30. The public is very cordially invited to attend all the services.

But those precious sons, he has made perfect through his death if they trusted him.

Verse 27 says, "For he hath put all things under his feet. But when he saith all things are put under him, it is manifest that he is excepted, which did put all things under him."

Meaning there will be war no more, sickness no more, death no more.

"And when all things shall be subdued unto him, then shall the Son also himself be subject unto him that put all things under him, that God may be all in all."

I would to God that we could get our Jewish friends to understand here that God, the Father, and God, the Son, are one. Yes, they are one. One in thought, in mind, in deeds, in action.

Verse 30, "Why stand we in jeopardy every hour?"

Here we have a great question asked and a great truth should be understood. Why should the Christian stand in trouble, weary, tired, footsore and afraid to die? This world is not our home, we are only passing through.

Verse 31 and 32, "I protest by your rejoicing which I have in Christ Jesus our Lord, I die daily. If after the manner of men I have fought with beasts at Ephesus, what advantage it me, if the dead rise not? let us eat and drink: for tomorrow we die."

Verse 33, "Be not deceived, evil communications corrupt good manners. Awake to righteousness and sin not, for some have not the knowledge of God, I speak this to your shame."

In America today, even in our own city of Akron, I know churches that give drinking parties and have lottery wheels and gambling devices and many other things in their own church. They have said here we meet for the glory of God. God pity them!

Verse 35, Paul asks the same question that the world asked and then explains that you might understand. "But some men will say, How are the dead raised up? and with what body do they come?"

"Thou fool, that which thou sowest is not quickened except it die."

The Morning Of Resurrection

By REV. D. F. BILLINGTON

Open your Bibles to the 15th chapter of I Corinthians.

In the 19th verse of this chapter we have these words: "If in this life only we have hoped, we are of all men most miserable."

Indeed this scripture is hard to understand by the unsaved man. You say I am going out and have a good time while the Christian will look at you, smile and say I have no desire for these things.

The fact is that he has a hope of God's tomorrow where he will meet first the Lord Jesus, the first fruits of the resurrection morning. Then it will be mother and dad, and the many loved ones, who have gone before.

If you chose to read all of this chapter you will find in verse 22 "For as in Adam all die, even so in Christ shall all be made alive."

The meaning of this scripture is that when Adam sinned in the garden of Eden sinned and turned his back upon God, when he partook of the forbidden fruit, whatever it might have been, it was through his transgression the human race fell in sin.

But then 1900 years ago came the Lord Jesus, born in Bethlehem, cradled in a manger, and it was destined that he was to be the Saviour of the world and save his people from their sins. You will find this in the first chapter of Matthew.

Now it is that whoever will come and believe that Jesus was and is our Saviour, he or she can live eternally in the joy of God.

Verse 24, "Then cometh the end, when he shall have delivered up the kingdom to God, even the Father, when he shall have put down all rule and all authority and power. For he must reign till he hath put all enemies under his feet."

I would like to say just a few words here to you, mothers, who have received that letter edited by black-son mailing in action. A son killed in action. Don't you remember, mother, what that letter said? The little country church he came to you and put his arms around you and said, Jesus saved me, don't worry. They buried that body which may have been marred with bullets and shrapnel, but it will be raised a perfect body, not wounded, not marred, not scarred with the marks of war, for only Jesus Christ, the Lord of glory will carry any marks to heaven.

He will have the nail pierced hands, and the risen side, the brow that was crowned with thorns for you and I.

But those precious sons, he has made perfect through his death if they trusted him.

Verse 27 says, "For he hath put all things under his feet. But when he saith all things are put under him, it is manifest that he is excepted, which did put all things under him."

Meaning there will be war no more, sickness no more, death no more.

"And when all things shall be subdued unto him, then shall the Son also himself be subject unto him that put all things under him, that God may be all in all."

I would to God that we could get our Jewish friends to understand here that God, the Father, and God, the Son, are one. Yes, they are one. One in thought, in mind, in deeds, in action.

Verse 30, "Why stand we in jeopardy every hour?"

Here we have a great question asked and a great truth should be understood. Why should the Christian stand in trouble, weary, tired, footsore and afraid to die? This world is not our home, we are only passing through.

Verse 31 and 32, "I protest by your rejoicing which I have in Christ Jesus our Lord, I die daily. If after the manner of men I have fought with beasts at Ephesus, what advantage it me, if the dead rise not? let us eat and drink: for tomorrow we die."

Verse 33, "Be not deceived, evil communications corrupt good manners. Awake to righteousness and sin not, for some have not the knowledge of God, I speak this to your shame."

In America today, even in our own city of Akron, I know churches that give drinking parties and have lottery wheels and gambling devices and many other things in their own church. They have said here we meet for the glory of God. God pity them!

Verse 35, Paul asks the same question that the world asked and then explains that you might understand. "But some men will say, How are the dead raised up? and with what body do they come?"

"Thou fool, that which thou sowest is not quickened except it die."

to the cross and there it was when he died he said, "Father, forgive them, for they know not what they do."

Verse 47, "The first man is of the earth, earthy; the second man is the Lord from heaven."

Now let me tell you something, will you? The first man is the flesh, the same as you and I when we were born a babe in this world. And so we have an earthly body, we desire to live after the world. The flesh was born first and it acts first.

When we reach that age to know right from wrong and when we, instead of being saved, we choose to follow the paths of sin, just for a few hours pleasure, then one day when we were older we became sorry for our sins and wanted to turn back and repent, we found we had no price to pay, the report was black against us, we were in terrible distress.

We cried out and said, Lord save us and forgive us. Jesus Christ, the second Adam, who came and died on Calvary's Cross that we might be saved, that morning while the choir was singing, there is a fountain filled with blood, drawn from Immanuel's veins, and sinners plunged beneath that flood, lose all their guilty stains. Jesus came to save the soul and we were saved. Oh what a morning! I shall never forget that time, will you?

Now we come to think again of the resurrection. May I be personal for just a little while. I remember the morning when the snow was falling fast, a letter edged in black; my father had passed to be with Jesus. Through no fault of mine, I never reached the grave that morning. They planted his body beneath the sod, and I wasn't there.

The roads were impassable, being blocked with snow and ice in those old Kentucky mountains that day and it was impossible to pass over them.

Then one morning in the month of August of the same year, 1922, I returned to West Kentucky and mother and I went to that new mound of clay and there it seemed as we knelt by that grave we could hear the Lord Jesus say, he is not here, come and see the place where he lay.

Yes, I believe every word I ever preach about the resurrection and I know of no greater song than, "If I could be living when Jesus comes, and know the day and the hour, I want to be standing at daddy's tomb when Jesus comes in His power. I want to be there that morning when the soul and body will be reunited."

Verse 53, "For this corruptible must put on incorruption, and this mortal must put on immortality." Jesus died on the cross and gave his soul an offering for sin. The morning of the resurrection when that body will be resurrected, the soul and body reunited, then it shall be brought to pass what is said in these scriptures: A body sown in weakness raised in power; sown in corruption and raised incorruptible; buried in dishonor and raised in honor. The body has to die, never to die no more in the spiritual body, the flesh becomes perfect and while the ages roll on we will live together in glory.

May I say to you in closing there is no such thing as the sleeping of the soul. When the breath leaves this old body, the soul goes to be with Jesus in glory. The body of clay moulders back to dust, and whenever a loved one dies in Christ they are carried to that city that is built foursquare.

Paul says in the fourth chapter of I Thessalonians, "But I would not have you to be ignorant brethren, concerning them which are asleep, that ye sorrow not, even as others which have no hope." "For if we believe that Jesus died and rose again, even so they also which sleep in Jesus will be brought with him."

Remember these scriptures and put your trust in the Lord Jesus Christ and have the assurance that your soul will never spend eternity in hell, but you will live on in the glories of God for ever and ever.

Roman 10:13 tells us plainly how to be saved. "For whosoever shall call upon the name of the Lord shall be saved."

I love the words of that old song, "Just as I am without one plea, But that Thy blood was shed for me, And that Thou bidd'st me come to Thee, O Lamb of God, I come! I come!" (Adv.)

IT'S IN THE AIR. You can feel it, every time the Axis is struck. This is the climax year, the year of decision. In history, 1944 will be the big year of the war—every stroke for victory counts more now. That's why it's vitally important for every American to beat his post, doing his part right now. You, personally, have an important job in winning the war—buying War Bonds. It's not glamorous—no, not even a sacrifice, really, because you are only lending your money, to be returned with interest. But it is essential to complete victory. Your part in this year of decision is at least one extra \$100 Bond, above your regular Bond buying. That is your minimum individual quota. But don't stop there. Remember wars are won only by all-out effort. So buy \$200, \$300, \$500 worth—buy more than you can afford. And buy your Bonds where you work—at the plant or at the office. Your country is counting on you—let's make the year of decision OUR year!

This sticker in your window means you have bought 4th War Loan securities.

### Some Early History

John Wright Holsapple,  
Temple, Texas

In the early 1870's I taught school at Howard's Schoolhouse in Calloway county. It has since been called South Pleasant Grove. Later, Joe Hunt taught at the same place. And still later we both came to Texas and lived at Paris at the same time. Joe was County Judge and I was pastor of the Christian Church. We were both somewhat surprised to learn that Paris had previously been the home of a noted infidel who had erected a large hall which he called Darwin Hall. On the east side of the hall he had painted DEL. ENDA EST CARHAGE, that is, "Carthage is to be destroyed." At that time Robert G. Ingersoll and his like were in the limelight. They advocated the building of operas and theaters instead of

churches. One of their kind was a citizen of Paris. He led in the building of a large hall in Paris and had painted in big ear letters over its door DEL. ENDA EST CARHAGE, that is, "Carthage is to be destroyed." The reader will recognize the quotation as the inscription ordered by Caesar placed up on his banners when he declared war upon Carthage. It was interpreted "Christ is to be destroyed."

That was in November 1875. It was just 22 years thereafter that I went to Paris to preach for the Christian church. Instead of the Darwin Hall I found nice, large, attractive houses of worship for practically all current denominations. Nothing to remind one of the disgraced Darwin Hall. In writing of this matter several years later a newspaper reporter said, "No power of men or devils can arrest the progress of the church of Jesus Christ. The church is a divine institution and will stand against all opposition. Jesus said to Peter when he made that great and good confession, 'Thou art the Christ. Upon this rock I will build my church and the gates of hell shall not prevail against it.'"

While thinking of Paris another scene passes before my mind. Standing there one day talking to another Kentuckian we saw a poorly dressed decrepit old man cross the street who my friend said was another Murray boy. I proposed to go to see him after this other boy, but was dissuaded from doing so. I was told that he knew me, knew I was in Paris, etc., but did not want me to see him or know he was there. He was one who had thrown himself away for drink and a reckless life. Then the past began to roll before me in memory. This second boy from Murray had at one time belonged to the same Good Templars lodge

with me. He gave way to drink repeatedly and was restored to membership time and time again. Finally when we brought him into the lodge room and tried to get him to take the pledge again he constantly refused and we let him go to our great sorrow. I have never seen the poor fellow since. Lost. Lost. LOST. How terrible the thought!

The 4<sup>th</sup> WAR LOAN is your opportunity  
to do something about it!

It's Time to Take the Offensive. Your government has the men it needs to do the job in the front lines—great men all! But it doesn't have the money it needs, by a long way. That's your job! And the immediate task is the Fourth War Loan—Your chance to take the offensive not only in support of the men who are fighting and dying for you and your loved ones, but also in support of your own future!

What are you going to do about a worn-out tractor, about repairing fences and buildings, about replacing depreciated machinery and equipment? Will you be ready with money in the bank when these things are needed?

You will if you take the offensive now! Put every extra dollar into U. S. War Bonds—the best form of financial reserve ever offered you. Think! You are asked to make a sound and prudent investment—not a sacrifice!

#### When Your Boy Comes Home

Will your boy come back to a farm or ranch with no financial reserves, no future? Or will you greet him at the gate with a bundle of War Savings Bonds—for working capital, new machinery, better buildings? And if your children are going to college, why not be sure they get there by buying today the bonds that will pay the cost.

No need, really, to tell an up-to-date farmer or rancher what he needs financial reserves for. You know more reasons than anyone else can enumerate for setting aside extra dollars to meet the future. Now is your chance to do it... and help fight the war too!

Go on the offensive! Buy all the Bonds you can—today!

CITIZENSHIP DAY TO BE OBSERVED AT MURRAY STATE

Students To Be Honor Guests in Chapel Feb. 22

Murray State College will observe its sixth annual Citizenship Recognition Day on February 22 at 10:30 a.m. Some 32 of the students who attain their voting age between August 1, 1943, and August 1, 1944, will be the guests of honor.

The program committee, consisting of Dr. James H. Richmond, Dr. G. T. Hicks, Dean Wm. Caudill, Prof. Fred Shultz, and Prof. L. J. Horton, is working on the program for the morning which will be announced at a later date.

"It is estimated that each year, in normal times, in the United States some two million persons reach the age of 21," Dr. Hicks said. "Most of these young people sense in a vague way that they have come of voting age. How few of them are really conscious of the fact that they have become voting citizens of the United States with all the duty and responsibility and honor that this new estate carries."

Dr. Hicks, head of the education department at Murray, said the nation is beginning to realize the necessity of focusing the attention of the public upon this problem. "Before a national date was set, Murray as the first college in the United States, began the observance of the 22nd of February as a day of local celebration for our own students in connection with the observance of the birthday of the Father of our country," he added.

"While the war has affected our civilian enrollment and our number is much smaller than usual, yet there is a greater responsibility upon young womanhood today than ever before, and we feel that they will want to keep the banner flying," Mr. Hicks said.

The entire program with the list of honor students for the day will appear in a later issue and on the bulletin boards.

of Mr. and Mrs. Ray Buckingham, and Doris Aycock, daughter of Mrs. Ethel Aycock, completed the required number of credits at the close of the first semester and graduated at that time.

Pin-up picture for the man who can't afford to buy an extra war bond...

YOU'VE HEARD PEOPLE say: "I can't afford to buy an extra War Bond." Perhaps you've said it yourself... without realizing what a ridiculous thing it is to say to men who are dying.

The very least that you can do is to buy an extra \$100 War Bond...above and beyond the Bonds you are now buying or had planned to buy. In fact, if you take stock of your resources, you will probably find that you can buy an extra \$200...or \$300...or even \$500 worth of War Bonds.

Sounds like more than you "can afford"? Well, young soldiers can't afford to die, either...yet they do it when called upon. So is it too much to ask of us that we invest more of our money in War Bonds...the best investment in the world today? Is that too much to ask?

### Woodmen Circle Officers Meet

The Service Club of Murray Grove 126, Woodmen Circle, met for the January meeting with Miss Ruth Lassiter, Poplar Street. After ritualistic practice and business, Miss Katie Martin was elected president, Miss B. Pardon, vice-president, and Mrs. Martha Carter, secretary and treasurer.

Miss Lassiter, assisted by her mother, Mrs. Jesse Lassiter, and Miss Mary Lassiter, served refreshments.

State Manager Lois Waterfield and Director Jessie Houston were present. Mrs. Waterfield reported that Kentucky was a leader in production. Mrs. Houston urged the members to be ready for inspection. She will be in Tennessee for two weeks.

### Miss Rowland Speaks To Garden Club

Miss Rachel Rowland, Calloway County home demonstrator, was guest speaker at the meeting of the Garden Club which was held Thursday afternoon at the club house. Miss Rowland discussed the value of Victory gardens, the best varieties of vegetables and fruits to be stored in the new freezing plant now under construction, and emphasized the nutritional value of soy beans and soy sprouts.

Mrs. G. B. Scott, chairman, presided over the business session. She discussed the importance of the Calloway County Tuberculosis Chapter, the control of cancer, and the sale of war bonds, and urged the members to subscribe for "The Club Woman".

During the social hour dainty refreshments carrying out the Valentine motif were served by the hostesses, Mrs. Carman Graham, Mrs. A. O. Woods, Mrs. Maurice Criss, Mrs. Vernon Anderson and Mrs. W. H. Brooks.

### Williams-Shelton Marriage Is Announced

Mr. and Mrs. Graves Williams of Highland Park, Mich., announce the marriage of their daughter, Miss Kathryn Williams, on January 17, to Pvt. William Shelton of Camp McCain, Miss.

They were attended by Mrs. Sam Shelton, sister of the bride, and Capt. Bat Wilson. For her wedding, Mrs. Shelton wore a lovely gown of pale pink silk over satin. Her flowers were lilies of the valley and baby's breath. Mrs. Sam Shelton wore blue satin, and carried white roses.

Pvt. Shelton is the son of Mrs. Lena Shelton of Olive Hill, Ky., and is a brother of Sam Shelton, S. 2-c serving some where overseas.

Mr. and Mrs. Shelton are making their home for the present in Grenada, Miss.

### Mrs. Irvin and Mr. Cunningham Are Wed

The marriage of Mrs. Ora Irvin and John Cunningham was solemnized on January 12 at the home of Mr. and Mrs. A. Strode in Highland Park, Mich. The vows were read by the Rev. R. Kennedy in the presence of relatives and a few close friends. Mr. and Mrs. Strode were attendants to the bride and groom.

Mr. and Mrs. Cunningham will make their home in Highland Park where he is engaged in the insurance business, and where she has been engaged in nursing. Mrs. Cunningham has many friends and relatives in Murray, her former home, who will be interested in the above announcement.

Mrs. Ora Irvin was honored at a miscellaneous shower on January 8 which was given by Mrs. Paige, Mrs. Harrison and Mrs. A. Strode at the home of the latter.

Many lovely gifts were presented to the bride. Dainty refreshments were served by the hostesses to a group of close friends.

### Engagement Of Miss Gela Hamrick Announced

The announcement of the engagement and the approaching marriage of Miss Gela Hamrick to M-Sgt. Harvey Maurer, was received here by friends this week. Miss Hamrick, the daughter of Mr. and Mrs. W. D. Hamrick, Paris, formerly of Murray, is engaged in defense work at Evansville. She was formerly connected with beautician work here. She is a popular young lady here where she attended school and had many friends and relatives who will be interested to know of her engagement.

M-Sgt. Maurer is from Philadelphia, Pa. The wedding is set for February 19 at the Trinity Methodist church, Evansville.

### LOCAL COMMITTEE WORKING ON TUBERCULOSIS PROJECT

Mrs. G. B. Scott, Mrs. W. J. Coupling, and Mrs. A. F. Doran are on a committee from the Murray Woman's Club to work with the doctors and other interested persons on the tuberculosis project that is before the state now. They will make a report on the findings of this community and send resolutions to the legislature asking for the appropriation for sanitariums for this disease Thursday.

## Murray Woman's Club House Is One of Finest in State

At Left: Mrs. Joe T. Lovett, Columbus, Ohio, who was president of the Murray Woman's Club when plans were made for the construction of the house.

At Right: Mrs. Hall Hood, Murray, who was first president after the house was constructed.

At Right: Mrs. A. F. Doran, Murray, second president after the construction of the Club House.

MURRAY, Ky.—Built of Calloway County stone, the Club House pictured above is one of the most beautiful structures of its kind in Kentucky. It is completely furnished throughout—with modernly equipped kitchen and dining service. It is a meeting place

for community gatherings—Rotary, Young Business Men's Club, Farm Bureau, College Banquets, Conventions, and Celebrations. The \$4800 indebtedness against the house was recently liquidated at a "note-burning" ceremony.

### Lynn Grove 'Cats Turn On' to Defeat Hazel Lions 26-20

Coach Buron Jeffrey's Lynn Grove Wildcats fought their way to a snarling sparring 26-20 victory over the Hazel Lions last week on the latter's floor.

The Lynn Grove lads hit a hot spot early in the game and had Hazel goose-egged 8-0 by the close of the initial quarter. Half-time found the 'Cats still going strong to hold a lead of 20-8. The third

period ended 22-12, Lynn Grove.

The final frame saw Hazel making a strong bid for the lead, scoring 8 points while holding the Jeffreymen to 4, however, the rally came too late for the Hurricanes as the score ended 26-20, Lynn Grove.

The lineup:  
L. Grove Pos. Hazel  
McIntosh 4 F. Sunder 5  
Key 2 F. Key 8  
Spenn 6 C. Grogan 2  
O. Miller 7 G. Miller 4  
B. Miller 1 G. Ray 1

## M.H.S. Students Offered Welding, Machine Training

(Reprinted from The Tiger)

The United States government is offering an extraordinary opportunity to the seniors of Murray High School. This opportunity is of a type which will give the student a wealth of mechanical knowledge and train him for an excellent vocation. This opportunity is in the form of welding and machine shop courses now being given in the old NYA workshop. Many students from Murray High School, Murray Training School, and other parts of the county are taking these courses.

Any senior can take one of these courses and will be given one and a half credit a year. Each of these classes has a capacity of eight students and both are almost full. Classes are offered from 2:30 to 5:30 in the afternoon and from 6:30 to 9:30 at night. They are open five days a week and a minimum of 15 hours a week is required of each student.

Upon completion of the course, the pupil is given a government recommendation stating that he is an expert at that particular job. Although one of the courses costs the student absolutely nothing, they cost the government \$1.65 an hour per student.

Each student has all his equipment furnished. Equipment in the machine shop consists of grinders, milling machines, shapers, drills, lathes, presses and other machines.

## Miss Diuguid Is Vice-President of Group

Miss Marion Sharborough, Murray, was elected president of Alpha Chi chapter of Sigma Sigma Sigma sorority Thursday night, February 3, in the auditorium. Miss Sharborough succeeds Miss Betty Phillips, president of the chapter since last February.

Other officers elected included Miss Barbara Diuguid, Murray, vice-president; Miss Ruth Prince, Pryorsburg, treasurer; Miss Barbara Harris, Lynn Grove, corresponding secretary; Miss Margaret Holland, Tiffin, Ohio, recording secretary; Miss Martha Fentress, Herndon, sentinel. The newly elected officers will train under the supervision of the former officers for a period of one month. They will assume their duties the first meeting in March.

The welding class furnishes its pupils are welders, acetylene torches and all of their personal equipment. These courses will probably continue through the summer and on into next year.
